

## To all SIT delegates: Post-Conference Tour

Neltec has arranged a 1-day post-conference tour to Whistler on **Thursday 2 May 2024**. The tour starts and ends at the conference hotel. We will be travelling by highway coach on the Sea to Sky Highway along the shore of Howe Sound. The route weaves deep into the coastal mountains and then climbs through old-growth rain forests before reaching Whistler 670 metres (733 yards) above sea level. We will step aboard the Sea to Sky Gondola to reach the peak for stunning views. Admission includes the possibility to cross the Sky Pilot Suspension Bridge – if you dare!

In Whistler Neltec will be hosting a lunch for all participants. Hereafter, there will be free time for shopping and exploring the village. On the way back to Vancouver we will make a short stop at Shannon Falls offering spectacular views. The participation fee for the entire program including a small selection of treats on board of the coach and lunch with one beverage per person (further drinks on your own) is:

**EUR 140.00 / USD 150.00 / CAD 200.00**

The number of participants will be limited to 25-50 persons (participation on a first-come, first-served basis). Please register by e-mail to [mail@neltec.dk](mailto:mail@neltec.dk), stating the name(s) of the participant(s) and currency used for the payment, no later than 5 March 2024.
